

AIA Architects League of Northern New Jersey

The Architects League of Northern New Jersey, a section of AIA-NJ, announces the 2016 recipients of our annual scholarships.

The Architects League Scholastic Achievement Award is given to undergraduate & graduate students for scholastic excellence in architectural design. This year's recipient is Elizabeth Christian of Hoboken, New Jersey. Elizabeth is enrolled in the graduate program at the Spitzer School of Architecture, CCNY, in New York.

The Architects League Scholarships for High School Seniors are awarded to High School Seniors who live or attend high school in our geographic territory (Bergen, Hudson, Passaic & Sussex Counties) and have been accepted to an NAAB Accredited Architecture Program at a college in the United States or U.S. Territory. This year's recipients are Risako Arcari of New Milford, New Jersey, and Marc Mazza of Hillsdale, NJ. Risako is a student at the Academy of the Holy Angels in Demarest and will be attending The Cooper Union in the fall. Marc is a student at Northern Highlands Regional High School and will be attending Virginia Polytechnic Institute.

The Architects League Scholarships are funded jointly through our annual Golf Outing, and the AIA Component Scholarship Grant, which in 2016 provided \$1,000 toward these scholarships.
