Scholarship amounts vary at the discretion of the Scholarship Committee. This year's total scholarship fund for college students is in the amount of \$2,000, for a student who will begin pursuing a college degree in architecture from an NAAB accredited architecture program in Fall 2018.

Scholarships are available to high school seniors who are a permanent resident of, and/or are currently attending high school in one of the following New Jersey counties: Bergen, Hudson, Passaic, or Sussex. Applicants are required to include an essay, biography/resume, official high school transcript and examples of their work. Additional information and rules can be found on the application form which is available from the AIA Architects League of Northern New Jersey at www.alnnj.org.

Deadline: All applications and submittal requirements must be postmarked or hand delivered no later than noon on **Tuesday May 8, 2018 at 5PM**. The award certificates will be presented at an awards dinner of AIA Architects League of Northern New Jersey in June. We invite those receiving scholarships to attend with their family.
