

John Mikesh
2020 Clarence Tabor Memorial Scholarship Award

John Mikesh is an architecture student from Tenafly, New Jersey who received a Bachelor of Architecture degree from Syracuse University and will be attending Princeton University this fall. John is a Design Resident at the Autodesk Technology Center in Boston and has worked in research at Aptium Architecture, Cemex Global and Terreform One. John was selected for the Clarence Tabor Memorial Scholarship Award based on the strength and depth of his submitted work. The Clarence Tabor Memorial Scholarship Award is given to undergraduate students entering their fifth and final year or to graduate students based on scholastic excellence, attitude toward the profession and probable success as an architect.

The Architects League Scholarship Awards are made possible through proceeds from our annual Architects League Golf Classic, which will be returning in July 2021.

Anika Tsapatsaris
2020 Architects League Scholastic Achievement Award

Anika Tsapatsaris is an architecture student from Ridgewood, New Jersey who will be attending her third year of architecture school at Columbia University this fall. Anika is the Secretary of the Barnard + Columbia Architecture Society and she is a 2024 Olympic hopeful for the Greek National Fencing Team. Anika's application was selected for the Architects League Scholastic Achievement Award based on the overall strength of her application, including both her submitted work and her academic record.

The Architects League Scholarship Awards are made possible through proceeds from our annual Architects League Golf Classic, which will be returning in July 2021.

Christina Kavanagh
2020 Albert O. Halse Memorial Award

Christina Kavanagh is an architecture student from Wood-Ridge, New Jersey who will be starting her fifth and final year of architecture school at the University of North Carolina at Charlotte this fall. Christina has been on both the Dean's List and the Chancellor's List at UNC Charlotte and has worked in architecture offices in Bergen County every summer during school breaks. This is the second time that Christina has been awarded the Albert O. Halse Memorial Award, she received her first one in June 2018. The Albert O. Halse Memorial Award recognizes undergraduate students for excellence in architectural delineation and/or architectural models and Christina's submission was notably impressive and well presented.

The Architects League Scholarship Awards are made possible through proceeds from our annual Architects League Golf Classic, which will be returning in July 2021.

Reeshane R Villarama
2020 Architects League Scholarship for High School Students

Reeshane R Villarama is a high school senior from Bayonne, New Jersey who will be graduating from High Tech High School in Spring 2020. This Fall, Reeshane will be attending Pratt Institute where she will be pursuing a Bachelor of Architecture degree. Reeshane is involved as a community volunteer and is the senior captain of the Bayonne High School Girls Swim Team. Reeshane's application selected from a strong group of high school student submissions based on the overall strength of her application and, in particular, an especially strong essay. The Architects League Scholarship for High School Students is awarded to a student living or attending high school in Bergen, Hudson, Passaic or Sussex County who will be attending architecture school after their high school graduation.

The Architects League Scholarship Awards are made possible through proceeds from our annual Architects League Golf Classic, which will be returning in July 2021.
